# 24 HOUR CYCLE CHALLENGE

## JOIN THE ZWIFT RIDE

Join us for the VUSA 24 Hour Cycle Challenge, an endurance event held at Bishops Diocesan College. This event brings together Bishops boys, staff, parents, and ODs for a non-stop 24-hour cycling event.

Notably, Grant Lottering will be embarking on a solo cycling journey, showcasing his unwavering commitment & you can ride along on Zwift with him and the rest of the teams.

### To Join

Use the Zwift companion app, search Grant Lottering & add to friends.

On Zwift riding app landing page use the '**Join a Zwifter**' tab and come and ride !

With 45 teams participating, we aim to raise funds for the VUSA Rugby and Learning Academy, an NGO in Langa that empowers underprivileged primary school children through sports, academics, recreation, and food resources. Grant and all of the teams riding symbolizes the collective effort to uplift communities and provide a brighter future for these children.

Join Grant and the teams as they pedal not only for the challenge, but also for the enduring impact of education and opportunity and of course your support in raising monies to enable these projects is greatly appreciated ..... see you out there (virtually 😊)
